## U. S. Pioneer in Waiving German Debt Daily Calendar

## Oscar T. Crosby Reminds Institute of Politics United States Has Done What Balfour Only Offers.

Special Dispatch to The New York Herald.
Williamstown, Mass., Aug. 4.—Oscar
T. Crosby, former Secretary of the Treasury, leading the discussion at the round table on interallied debt at the Institute of Politics to-day, pointed out that the United States had already waived claims against Germany corresponding to the against Germany corresponding to the remissions which Great Britain under the terms of the note by Earl Balfour now offers to make.

working from the boundaries of Russian to the center, from without to within. It will be recessary to proceed step by the terms of the note by Earl Balfour another, from the border of Cermany, Poland, Rumania and proceeding to the

the terms of the note by Earl Baifour now offers to make.

"As Earl Baifour now offers such remissions in the light of a concession by the British Government," he said, "by the British Government," he said, "what I ask is that it shall be remembered that we have already done a similar thing.

"It is a fact perhaps not familiar to those of you who have not followed the matter closely that, in waiving a share in the German indemnities—reparations is the more polite word—as they have been now fixed, we have waived particularly that portion which might have been credited to us under the heading of pensions, damages to civillans, &c. That was the cause of very much discussion in Paris, as to whether there could be a legitimate claim against Germany for the legitimate the process of the legitimate claim against Germany for the latter of Cermany, Poland, Rumania and proceeding to the interior of Russia.

"I am aware that this is a very modest program. But what list has a very modest program and proceed on the field of observations, but during the last factory conditions and proceed of Europe,
